Harpies' Forest

A forest where harpies live in peace. Harpies, being half-bird and half-human, have hollowed-out tree dwellings constructed in three tiers.

Behind the forest, a guardian spirit is enshrined in the form of a magic crystal.

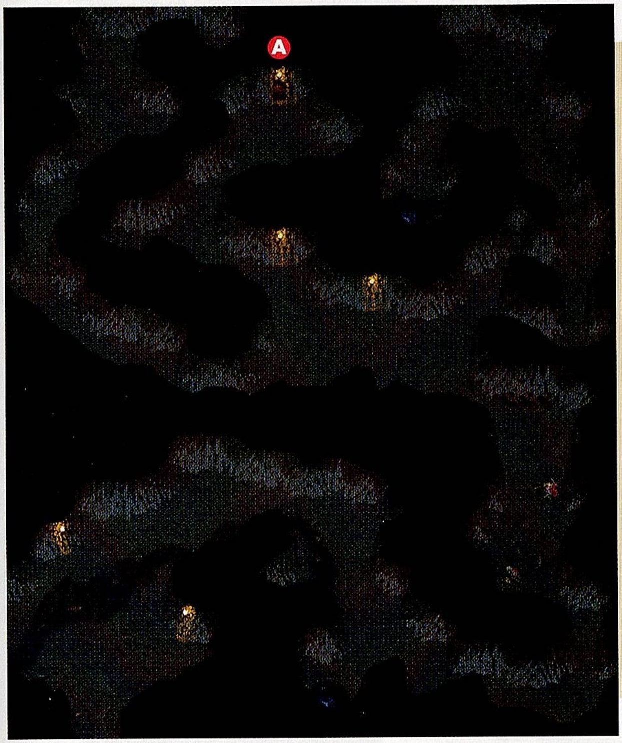
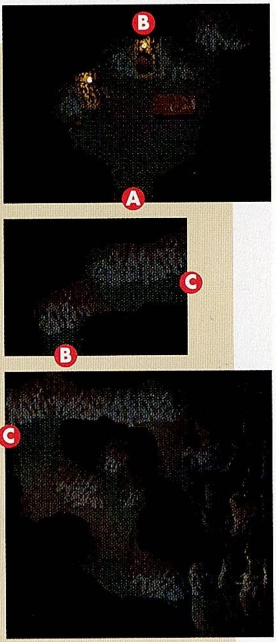
Cave Beyond the Mountain

A cave where fairies are being held captive. It appears to be the goblins' lair. The layout is simple; the structure is not that complicated. Along the way, there is a spring that fully restores HP and MP, so make effective use of it.





Rescue the captured fairy and go to Gigāru!

Following the path taught by Rue, due to a landslide the passage had become blocked. My guts boiled with anger. While holding back the … and following along the mountain to the west, the flow of the river, I found the cave. While searching the area,
